

What are the benefits of donating to GCCF?

Tax deductible

All donations are tax deductible.

Low Cost

Every dollar donated to QCF is invested in perpetuity. The day-to-day administration and marketing of the Fund is met by our sponsors: QIC, The Public Trustee and Anglo American.

Fees

The Public Trustee charges a Trustee Fee of 6.6% of the income received by the Trust, for acting as Trustee, and an investment management fee at a rate not exceeding 1.61% of the market value of the funds per annum (before rebate).

Secure

The Public Trustee of Queensland is the Trustee providing integrity, permanence and security. QIC—one of Australia's leading investment advisors—is the investment manager. QCF is registered with the Australian Charities and Not-for-profits Commission.

Easy

There are no set-up costs or administrative burden usually associated with establishing and running your own charitable fund or foundation. QCF takes care of all reporting requirements, compliance, independently audited by QAO due diligence and administration measures. Significantly more cost effective than setting up a Private Ancillary Fund.

Leadership

The Foundation offers strong governance and operational efficiency through a carefully selected Board and Gold Coast Committee representing business, community and philanthropic leaders.

Impact

Your donation will benefit Gold Coast charities and the community in which you live.

Donations or bequests to QCF can be made to:

Gold Coast Community Foundation

– specifically supporting Gold Coast charities

QCF General Fund

– to support Queensland charities

A named sub-fund

– to create an income stream for a charity, cause or region

A sub-fund in memoriam

– create a legacy to honour a loved one

A charity sub-fund

– in support of particular charitable organisations and causes

QCF is a public ancillary fund bringing together community, business, education and government leaders to further philanthropic causes and build social infrastructure in Queensland. It has several 'sub-funds' which donors use to structure their philanthropy.

The Gold Coast Community Foundation (GCCF) is a QCF sub-fund established to benefit the Gold Coast community. The aim of the GCCF is to strengthen the local community by facilitating giving and partnering with donors to build an enduring source of funding for local charities.

Charities and causes supported may fit within, but are not limited to, community wellbeing, health, arts and culture, animal welfare, disability, children and youth, and environment.

Local charities can apply for grants each year—sign up at qcf.org.au for grant alerts.

All donations are tax deductible and can be made at any time either in your lifetime or through a bequest in your will.

All donated funds are pooled and invested with a percentage of the annual income distributed to Gold Coast charities through a grants program.

GCCF is a perpetual fund and is the perfect way to support the Gold Coast today and for generations to come.
